

## Scholarship Recipients Say "Thanks"

"I am extremely honored to have been selected as the recipient of the first annual Dr. William Lascheid Memorial Scholarship for Medical Students. During my remaining two years at the Florida State College of Medicine, I will continue to maintain a high level of academics in addition to maintaining a continuous involvement in community outreach." - *Angelina Malamo, Florida resident and FSU COM Class of 2017*

"Thank you so much. My advice for incoming high school freshman: Your high school experience is only as rewarding as you make it out to be. In the end, everyone is struggling to find their own niche, just like you."  
- *Jennifer Leslie Castaneda, recent nursing graduate from Lorenzo Walker Technical High School*

"I would like to thank the Foundation for awarding me this generous scholarship. I will continue to demonstrate my passion for service and mentorship both as a student and within my future practice, representing the type of student the foundation seeks."  
- *Claras Suze Leandre, Florida resident, FSU COM Class of 2016, and first-generation college student*
