

2018 Scholarship Award Winners Say "Thanks"

"There are no words that can adequately describe how moved I am to be selected as the recipient of the Dr. William Lascheid Memorial Scholarship. This award means so much to me as not only will it allow me to continue to pursue my medical education, it serves as a reminder that there is a whole community investing in my future with the belief that I am making a positive impact in the world. Your kindness motivates me even further to do all that I can to help those in need and give back to the community." – *Christy Taylor, Univ. of Miami grad, student at Univ. of Pittsburgh School of Medicine*

"This generous award will allow me to focus on my studies rather than my finances throughout my first year of medical school. Moving to Colorado to pursue my dream of becoming a physician is a huge step in my career and your support means the world to me. I can't wait to return to Naples as a physician and pay it forward to the community that has given me everything!" - *Hannah Klopf, Naples High and Univ. of Florida grad, student at Rocky Vista Univ. College of Osteopathic Medicine*

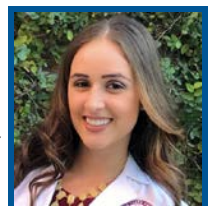

"This scholarship has assisted in lightening the financial burden that graduate school requires of me. I am so very grateful for the generosity and support of the Foundation. I hope to PAY IT FORWARD and assist others who are pursuing medical careers." – *Revenel Metayer, Golden Gate High and Emory Univ. grad, PA student at Barry Univ.*

"It has been a lifelong dream of mine to work in the medical field. Due to your generosity, the path to continuing my education has never looked brighter. With great enthusiasm, I look forward to meeting this calling." – *Savannah Moore, Bonita Springs resident & nursing student at Florida Southwestern State College*

"The generosity of the Foundation is making an impact on the future generation of physicians by supporting those who advocate for the future of the profession. I have been involved at the local, state, and national level advocating for patients and physicians. Simply put, the significance of this scholarship to me is an investment in the future of medicine. Thank you!" - *Steven Peretiatko, North Port High and Univ. of Florida grad, student at USF Morsani College of Medicine*
