Dear Future Member:

I strongly encourage you to join your county medical society. With over 600 members we provide you with strong and effective representation, and your membership contributes to our mission to serve the needs of our physician members, so they can better serve the needs of the community.

We focus on supporting you as a physician and your practice as a business, and maintaining the high standard of medicine we are accustomed to in Collier County. As a member you have access to an extensive range of benefits such as group health insurance, exclusive events, vendor discounts, The Forum member magazine, our Physician Wellness Program, and a listing in our physician directory.

We are stronger as one and we hope you will consider joining us. We look forward to you becoming a member and providing you with a positive experience that will help you succeed in your profession.

Yours Sincerely,

David R. Wilkinson, M.D.
President

MEETINGS & EDUCATION
Frequent dinner meeting provides members with educational presentations at no additional charge. Topics include CME, practice management, and personal finance. CCMS also offers all members a complimentary professional account with CE Broker CME tracking service.

SOCIAL EVENTS & NETWORKING
Our Society plans numerous social events each year, included with your membership. We host “Aft after 5 Socials”, women physician luncheons, a new member welcome reception, an annual installation of officers dinner, and more to help you network with colleagues.

GROUP HEALTH INSURANCE COVERAGE
CCMS member practices can be part of a single, large, fully-insured entity under Florida Blue. Everyone benefits from large employer economies and flexibility – 11 medical plan designs are offered with numerous cost-saving measures to better control long-term cost. A portion of the premiums can be returned to the plan in good years and used to further stabilize costs.

ADVOCACY & COMMITTEES
CCMS sends a delegation to the FMA Annual House of Delegates each year where FMA policy is formed and a strong legislative agenda is created. We meet regularly with our legislators to advocate for members and their patients, and provide critical commentary and information to the press.

New members are welcome to join CCMS committees that help form CCMS policy, including: Legislative; Membership; Programs; Physician Wellness; and Women’s Health Forum.

POLITICAL ACTION COMMITTEE
The CCMS Political Action Committee (PAC) supports the campaigns of physician & patient-friendly candidates at local and state levels. Contributions from our members have allowed the PAC to provide thousands of dollars in campaign support. To join, contact CCMS or add $100 to your dues payment.

AFFILIATIONS
Our new Foundation of CCMS is a charitable organization promoting medical education and public health, including scholarships for healthcare students. We also encourage members to volunteer in the Physician Led Access Network (PLAN). Volunteers receive sovereign immunity and participate in an organized system for serving indigent patients in our community. The CCMS Alliance and its Foundation provide an additional network and activities for members’ spouses.

PHYSICIAN WELLNESS PROGRAM
The Physician Wellness Program helps physicians take care of themselves, with features such as confidential, cost-free psychological services available to all members to help deal with stress and burnout, and opportunities to join small, member physician fitness and discussion groups.

PHYSICIAN REFERRALS & DIRECTORY
We receive hundreds of phone calls each year from patients looking for physicians. We are happy to provide referrals to member practices. Patients can also go to the online physician member directory at www.ccmsonline.org.

Each fall we distribute 10,000 copies of a color, pictorial Physician Directory to members, hospitals, clinics, libraries, and the public. Only CCMS members are listed in the Directory (must join by May 31st), which includes an index by specialty. Members are also welcome to purchase advertising in the publication.

MEMBER MAGAZINE
The Forum, a news and educational magazine, is sent to each member bi-monthly. The publication includes articles about the Society, its members, and issues affecting the practice of medicine. Members are welcome to contribute content that provides insight to colleagues, as well as purchase advertising.

E-MAIL ALERTS
An e-newsletter, the “elert” is sent to all members every other week alerting them to key meetings and time-sensitive information. Additionally, we can send complimentary notices for new CCMS members and relocation of practices. Open house and other notices about member practices can be emailed to CCMS members & office managers for a small fee.

COMMUNITY OUTREACH
In an effort to promote good health, each year CCMS holds a Women’s Health Forum where CCMS physicians speak to approximately 400 women in the community.

Plus, our speakers bureau is a great resource for media and groups looking for experts on important medical issues. Any interested member can be considered for the speakers bureau.
