Local source in Bonita Springs selling imported KN95 masks (Chinese equivalent of N95). From Radiology Regional/Dr. Lawrence Leigh: “We bought 1000 or so for our practice and they have been good. Company is reliable, trustworthy, easy to work with. I have known them for years. They have had a business pipeline in China for other products and they leveraged that to acquire PPE for me. They have masks and I believe can still get other equipment as needed.” Contact [john@ppeus.com](mailto:john@ppeus.com)

Creative Scrubs & Uniforms, powered by Southwest Florida-based Creative Marketing Services, is offering disposable Procedure Masks, KN95 Surgical Masks and hand sanitizers. Products are in stock and ready for shipment from its Houston warehouse. All products are FDA- and CE-approved. As a courtesy to local healthcare providers, the minimum order requirement has been reduced. A portion of the proceeds collected during the COVID-19 pandemic crisis will be donated to local nonprofit healthcare agencies serving those less fortunate. Email [john@mysalespromotion.com](mailto:john@mysalespromotion.com) or call (239) 357-0805 for samples, a product sheet, pricing and an order form. – as shown in Gulfshore Business

Crown Sanitizer has an order of 5000 gallons of hand sanitizer in bulk quantities landing in Lee county next week. We wanted to extend special pricing and the opportunity for your members to pre-order if needed before opening this product up to the general public and non-essential businesses. The hand sanitizer meets and exceeds all suggested formulations by FDA, WHO, and the CDC and is at a concentration of 80% ethyl alcohol and contains hydrogen peroxide. This was specifically formulated as a no frills bulk hand sanitizer for the healthcare industry during the shortages we are currently facing. It will come in gallon sizes and is great for refilling your current containers or dispensers and making sanitary wipes. If you are interested in extending this offer to your member and our medical professionals here in Lee and Collier, please let me know. - Mathew Lynch, [crownsanitizer@gmail.com](mailto:crownsanitizer@gmail.com)

A Naples-area businessman wants medical professionals to know that his local wholesale restaurant supply store has disinfectant, gloves and other hard-to-find supplies such as toilet paper and paper towels. "We just want to get the word out because they need it and we have it," says Rudy Ambrosi, owner of Pro-Edge Paper and Sclafani Imported Italian Food Market, 3910 Domestic Ave., East Naples. "I had a couple of doctors come in and said they can't get supplies. They need everything. We have tons for everybody." Ambrosi said he also has an order of masks and hand sanitizer scheduled to come in next week. For more information, visit [proedgepaper.com](http://proedgepaper.com). Dean Sarnes has PPEs for doctors, P100 grade rubber face masks. Potentially to donate. 239.572.2353

Cheney Brothers – paper goods, some PPE, etc. Referred by Dr. David Wilkinson

I was contacted by a local rep I use for my wrist fracture cases regarding PPE. She is now representing a line of PPE, and I attached a photo with a list of the products available. If anyone is interested in purchasing please send her an email. I believe the cost is based on volume purchased. Her name and email contact are as follows: Amanda Nicita [anicita1@gmail.com](mailto:anicita1@gmail.com) – submitted by Dr. Carmella Fernandez [photo below]

*Note from Amanda: We are currently working on providing and filling some smaller orders such as needs for Doctors offices and clinics. Previously we have been only able to source in bulk. N-95 masks are currently \$5.25. We are FDA approved and listed on the CDC manufacturer website of approval. I am hoping to gather anyone's info that may need some and submit on Thursday. Our lead time is 10 days for arrival. If you know of anyone in need, please share my info publicly. I want to help any of my frontliners and physicians gather what they need and not have to reuse reprocessed unverified masks.*

*Thank You! Amanda Nicita, MedSource, (727)463-2346 (It was just this week [4/6] we are making it work to do this without the bulk order requirement.*
